As of 2 October 2026 · live at project-95d8n.vercel.app · bank, partners and data are mocked

AREA	CATEGORY	WHAT A CUSTOMER CAN DO
Travel	Flights Updated	Search by date, passengers and time of day. Pick fares, seats and bags, add extras (lounge, fast track, meals, a car to the airport), then pay with points, card or a split of both. Check in online, see live flight status with gate and delay changes, upgrade the cabin, add bags after booking. Change, cancel, or rebook if the airline cancels. Boarding passes appear once checked in.
	Stays	Find hotels by city, dates, rooms and room type. Book with free cancellation, cancel or change.
	Airport	Book lounges (free visits used first), fast track, meet and greet.
	Rides and rail	Book a ride now or later from here, home or office. Car hire by days. Trains where the market has them.
	Experiences	Tours and tickets in any city, by day and time.
	Travel essentials	Visa check, travel cover, eSIM data.
Everyday	Dining	Free table booking. Groups of 13 or more go to concierge.
	Groceries	15-minute delivery. Add, remove or change items by text or buttons. Refunds for missing items.
	Shopping	Products with sizes, returns and order tracking.
	Gift cards	Fixed amounts, sent to a recipient's email.
	Subscriptions	Included and paid plans. Start, pause, resume, cancel.
	Events	Gigs, sport, theatre. 2-for-1 cinema.
Points	Points and miles	Balance, history, transfer to airline programmes.
	Grow points	Gold, funds and savings through a licensed partner, with a risk note.
	Give	Donate points to charities.
	Challenges	Join and track earning challenges.
Card	My card	Balance, statement, pay bill, Direct Debit, freeze, controls, limits, gambling block. Disputes, lost or stolen card, fraud, card abroad, instalments, balance transfers.
	Card benefits	What the card covers, money back, no foreign fee.
Help	Concierge	Anything else, such as sold-out tables or special gifts, handed to a person.
Care	Safety (always on)	Spots crisis, scams, coercion, financial abuse and emergencies in English and Arabic, and gives the right helpline or emergency number.
Everywhere	Markets	UK, EU (Ireland), India, UAE, UAE in Arabic (right to left), Singapore, Malaysia, each with local money, prices and payment approval.
	Guardrails	Nothing moves money, points or card settings without a confirm step. Every payment is checked against available credit.

Updated today: flights now take customers through extras, a points-and-card split, online check-in, live flight status, cabin upgrades and adding bags after booking. The full list of flows still to finish is in "Gratifi — Every Service, Every Flow".
